GOVERNMENT OF INDIA
RURAL DEVELOPMENT
LOK SABHA

UNSTARRED QUESTION NO:3967
ANSWERED ON:13.08.2015
Digitisation of Durable Assets
Joshi Shri Pralhad Venkatesh

Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether the Government has any plans to digitally monitor the creation of all durable assets in various social sector schemes across the country;

(b) if so, the details thereof; and

(c) the roadmap developed/being developed for such digital monitoring of all durable assets?

Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI SUDARSHAN BHAGAT)

(a) to (c): The Ministry of Rural Development is monitoring its different schemes through online Management Information System (MIS). These web-based MIS platforms are designed to capture and provide information on various process related parameters of the schemes including the financial and physical achievements. Data in the MIS platforms are available digitally which enables real time monitoring of the schemes. In addition , the MIS platforms of Mahatma Gandhi National Rural Employment Guarantee Act , Indira AawasYojana and Pradhan Manti Gram SadakYojana have option for uploading photographs of the works under progress and completed works which ensures actual implementation of work in the field.
